COMPLETED Began June 2007 - Estimated
completion August 2008

SCOPE OF PROJECT

Renovations include a complete rework of the second floor and a partial rework of the first and third floors. The three elevators in French Hall will be replaced during the project and several mechanical and electrical systems will be updated.

Second Floor renovations were completed in January 2008. It was completely gutted and the east elevator was replaced. Work on the Third Floor is underway.
